#### IMPORT TRADE CONTROL

New Delhi, the 30th October 1956

SUBJECT.—Import of Dates (S. No. 21(b)/IV)—Advance licensing for.

**No. 47-I.T.C. (PN)/56.**—Attention of importers is invited to para. 4 of this Ministry's Public Notice No. 40-I.T.C. (PN)/56, dated 29th September, 1956, according to which licences for import of Dates for the quarter—October to December, 1956, are to be granted to Established Importers on the basis of 60 per cent. quota in relation to one fourth of the best year's imports established in any one financial year during the basic period. With a view to enable the importers to take full advantage of the date season in the supplying countries, it has been decided to issue supplementary licences in advance for import of this item for the quarter—January to March, 1957, which will, in due course, be debited to the quota licences for the January—June, 1957, licensing period. These supplementary licences will be issued to Established Importers only and will be for values equal to their quota licences for the current quarter—October—December, 1956.

2. Established Importers, desirous of availing of this concession, should submit their applications in the prescribed form and manner to the Licensing authorities at the ports concerned as early as possible, but in any case, not later than the 30th November, 1956. They need not send proof of past imports in support of these applications but a cross reference to their quota application for the current quarter should be quoted. Such applications should be superscribed boldly on top as "Application for advance licensing for Dates".
